At the election, each and every acre of assessable land in the district shall represent one (1) share, and each owner shall be entitled to one (1) vote in person or by proxy, in writing duly signed, for every acre of assessable land owned by him/her in the District. The person receiving the highest number of votes shall be declared elected as a Supervisor. Landowners owning less than one (1) assessable acre in the aggregate shall be entitled to one (1) vote. Landowners with more than one (1) assessable acre are entitled to one (1) additional vote for any fraction of an acre greater than one-half ($\frac{1}{2}$) acre, when all of the landowners' acreage has been aggregated for the purposes of voting.

Owners whose assessments have not been paid for the previous year are not entitled to vote.

Nominations are made from the floor. After all nominations are made, a ballot is distributed and votes are cast.

A proxy is available upon request. To be valid, each proxy must be signed by one (1) of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one (1) vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.
